

BECOME AN ENGINEER ENTREPRENEUR

ABOUT THE PROGRAM

The Engineering Entrepreneurship Program combines advanced engineering knowledge with entrepreneurial skills and mindset. Choose the engineering program you want to study and let us know regarding your interest to pursue Minor in Entrepreneurship. Get two major skills in one program.

You can also pitch your engineering idea for a chance to take forward your business with our university's support.

HOW TO APPLY

You can apply via our online application system. Choose the engineering program you want to study and email us at setadmissions@ait.ac.th regarding your interest to pursue Minor in Entrepreneurship.
