

SPONSORED PROJECT

The School of Environment, Resources and Development (SERD)

1. Project name	Promoting Human Rights and Community Based Rehabilitation of Women and Girls with Disabilities
2. AIT Lead Faculty	Dr. Julaikha B. Hossain
3. Short Descriptions	The goal of the project is to promote the basic rights of women and girls with disabilities (WWDs)—the most underprivileged groups in Bangladeshi society—and to develop them as dignified and productive citizens through the development of required knowledge and skills.
4. Output/Social Impact	The participation of WWDs groups in all sectors, including social, political, and economic, will be enhanced. Community engagement and societal norms and practices will be altered; WWD groups' access to various sectors will be improved. Duty bearers will be educated on the need of being proactive and responsive to the targeted community. Increased effective linkage with public institutions; WWDs organizations will be created to assert their rights from government service delivery institutions.
5. Partners	Grameen Alp, Bogura, Bangladesh
6. Donors	Development Design Consultants Ltd.
7. Project Duration	1 Jan. 22 - 31 Dec. 22
8. Total grant amount	THB 930,000
9. SDG	5
