

# SPONSORED PROJECT

The School of Environment, Resources and Development (SERD)

1. Project name	<b>Women and Men in Small-scale Fisheries and Aquaculture in Asia: Barriers, Constraints and Opportunities towards Equality and Secure Livelihoods</b>
2. AIT Lead Faculty	Prof. Kyoko Kusakabe
3. Short Descriptions	Making small-scale aquaculture and fisheries sustainable through a comprehensive review of constraints and opportunities confronting women and men in small-scale fisheries and aquaculture.
4. Output/Social Impact	A desk review on gender and small-scale fisheries and aquaculture in Asia was conducted, spanning literature since 2011. The desk review evaluated the knowledge to date and suggested future paths in the research on gender and fisheries/aquaculture.
5. Partners	
6. Donors	Food and Agriculture Organization of the United Nations
7. Project Duration	November 2018 - June 2022
8. Total grant amount	THB 1,257,800
9. SDG	5, 11, 14
