

ASIAN INSTITUTE OF TECHNOLOGY

Founded in 1959, the Asian Institute of Technology (AIT) is an international English-speaking postgraduate institution focusing on engineering, sustainability, and management studies. AIT's rigorous academic, research, and experiential outreach programs prepare graduates for professional success and leadership roles in Asia and beyond.

AIT operates as a multicultural community with 26,000+ alumni and 300+ partners around the world providing academic and networking opportunities for all of our students.

AIT offers advanced graduate education in three schools,

- School of Engineering and Technology
- School of Environment, Resources and Development
- School of Management

AIT
Asian Institute of Technology

SCHOOL OF ENGINEERING AND TECHNOLOGY

Department of Civil and Infrastructure Engineering

- Construction, Engineering and Infrastructure Management
- Disaster Preparedness, Mitigation & Management
- Geotechnical and Earth Resources Engineering
- Structural Engineering
- Transportation Engineering
- Water Engineering and Management

Department of Industrial Systems Engineering

- Bio-Nano Materials Science and Engineering
- Industrial and Manufacturing Engineering
- Mechatronics and Machine Intelligence
- Medical Engineering

Department of Information and Communication Technologies

- Computer Science
- Data Science and Artificial Intelligence
- Information and Communication Technologies
- Information Management
- Internet of Things (IoT) Systems Engineering
- Remote Sensing and Geographic Information Systems
- Telecommunications

STUDENT OPPORTUNITIES

Student Exchange Program

The Student Exchange Program allows AIT students to study at a world-class partner university for one semester, enhancing their academic knowledge, skills, and intercultural communication while expanding their networks. Students can transfer 6-12 credits of courses and may compete for exchange scholarships.

Internship Program

AIT offers an opportunity to all students enrolling in Master's degree programs to take internships in national and multinational enterprises as a part of the academic curriculum. The internship carries 12 credits and duration can range from 4 to 6 months.

Minor

A minor carries 12 credits and will be shown on the degree certificate. One such minor can be in Entrepreneurship.

The moment I received an email from my school with the title, "AIT – Shenzhen Exchange Program", I knew I had to seize this incredible opportunity. I applied without hesitation, thinking to myself – OMG!!! It's China, and it's Shenzhen, the Silicon Valley of China!!!

Lam Thi My Duyen

Masters in Information Management
School of Engineering and Technology

SCHOLARSHIPS/ FELLOWSHIPS

Different types of scholarships and fellowships opportunities await Students at AIT.

- HM King's Scholarship & HM Queen's Scholarship
- Loom Nam Khong Pijai(GMSARN Scholarship)
- Asian Development Bank –Japan Scholarship Program
- AIT-UNESCO-IHE Programme
- Joint Japan/World Bank Graduate Scholarship Program
- China Scholarship Council
- Royal Thai Government Fellowship
- AIT Scholarship

Masters in Business Administration
School of Management

APPLY NOW

ELIGIBILITY REQUIREMENTS

Master's Degree Program

1. Hold a bachelor's degree (normally from a four-year program), or its equivalent, in an appropriate field of study from an institution of good standing acceptable to AIT.
2. Have undergraduate grades significantly above average.
3. The minimum GPA requirement for admission to the Masters Program is 2.75 or equivalent, at the Bachelor degree level.

Professional Master's Program

1. In addition to the above-mentioned eligibility requirements, an applicant must have at least 3 years of work experience in areas related to the academic program at AIT and be executives in organizations/companies.
2. If an applicant does not have an undergraduate degree, significant relevant professional experience and professional qualifications are taken into account, which should include a minimum of 10 years of work experience with at least 5 years in management.

Doctoral Degree Program

1. Have strong academic records (both undergraduate and graduate) and normally hold a four-year bachelor's degree, and a Master's degree, preferably with a combination of course and thesis work, from an institution of good standing, acceptable to AIT. The minimum cGPA requirement for admission to the doctoral program is 3.50 or equivalent, at the Master's degree level.
2. Submit a brief outline of dissertation research proposal (5-10 pages) including the required research facilities, if necessary.
3. Two recommendation letters.

ENGLISH PROFICIENCY REQUIREMENT

- English Proficiency Requirement: AIT-EET: 6; IELTS Academic: overall 6 (writing 6); TOEFL iBT: overall 80 (writing 21-23); PTE Academic: overall 52 (writing 62-73).

ADMISSIONS REQUIREMENTS

- A complete AIT application **online form**.
- A certified copy of undergraduate certificate (in English).
- A certified official student transcript (in English).
- An English proficiency test report or a certificate of English as a medium of instruction (EMI).
